2016 YEAR IN REVIEW
message from Tracy Spannier

Tracy Spannier
Chair
Revelstoke Community Foundation

I know that I speak for the entire Board of directors when I say it is such an honour to be working to carry on the vision of creating and sustaining a legacy From Here For Here.

2016 was a challenging yet fulfilling year with many changes at the Board level. We bid farewell to outgoing directors Steven Hui, Kevin Lavelle and Dale Morehouse. We have been fortunate to welcome Chris Swayze, Jordan Bott and Robyn Goldsmith to the Board of Directors. I would like to recognize and thank our volunteer Board of Directors for their willingness to share their knowledge, skills, and time. I would also like to thank past Directors, Geoff Battersby, Steven Hui and Kevin Lavelle for continuing to mentor our Board. The Revelstoke Community Foundation is proud to engage a wide demographic at the board and committee level to help us understand our community better.

Our team is focused on increasing awareness of our role to receive donations, invest these assets, and support community organizations who are making a difference. Distributions of endowment investment earnings during 2016 totalled $82,680 including 18 grants supporting a wide variety of projects, 40 Scholarships and 11 distributions of designated funds.

During 2016, our community has been fortunate to witness our community coming together including the QVH Helipad Project and funds raised by Revelstoke for Refugees. While these were not Community Foundation projects, we are proud of the amazing examples of philanthropy in Revelstoke.

A good friend once told me that what you spend your time on shows your passion. Thank you too for sharing your passion for Revelstoke.

Donations to endowment funds during 2016 amounted to $44,142 bringing the total contributions to the endowment since inception in 1998 to $1,692,782. Market Value of the Endowment Funds at December 31, 2016 is $2,287,564.

Earnings from endowment investments are distributed as grants to charitable organizations and scholarships to graduate students from Revelstoke Secondary School. In 2016 a total of $82,680 was awarded. Over the past 16 years over $700,000 has been distributed to support local charities and students.

why choose community foundations

1. We are a local organization with deep roots in the community, and part of a nationwide movement whose support we build and share.
2. We bring donors to the table as community builders, working closely with them to align their philanthropic vision with the community’s needs.
3. We identify long-term needs and opportunities and invest in solutions that let our communities guide their own future.
4. We take a broad and inclusive view of what a community is, and provide grants to the widest possible range of organizations and initiatives.
5. We provide highly personal and flexible service, accepting a wide variety of assets and offering donors maximum tax advantage.
6. We build permanent funds and those that can respond to immediate needs, helping our communities ensure vital futures.
7. We multiply the impact of gift dollars by pooling them with other gifts.
8. We believe that diversity is strength, so we bring the entire community together to stimulate new ideas, build participation and strengthen community philanthropy.
9. We are transparent and reputable stewards of community resources, committed to being accountable, accessible and responsive.
10. We build community vitality—the unique and essential spirit that flourishes when people believe their community holds possibilities for everyone.

Revelstoke Community Foundation is a charitable non-profit organization that contributes time, leadership and financial support to initiatives that benefits our community most.

2017 is our country’s 150th birthday! Canada’s Governor General, the Right Honourable David Johnston, has challenged Canadians to imagine our country as it could be – a smart and caring nation that holds promise for all.

We invite all residents of Revelstoke to join with us in establishing a Smart & Caring Legacy Fund for our community in honour of Canada’s 150th birthday.

Revelstoke is fortunate to be part of a national movement to invest in our communities. “We are the Canadian movement for community vitality together with 191 community foundations across the country. We are connected by a national network to help Canadians invest in building strong and resilient places to live, work and play.” ~ Community Foundations of Canada

The Community Fund for Canada’s 150th is a collaborative effort, seeded by the Government of Canada and leaders from coast to coast, and matched and delivered locally by the Revelstoke Community Foundation. We are proud to partner with the Canada 150 Fund to support four Revelstoke initiatives.

- Canada 150 Mural Project – Revelstoke was 1 of 150 communities across Canada selected to create a mural depicting their community. Each mural is joined together online forming a train from coast to coast.

- Revelstoke Visual Arts Centre: One Thousand Reasons We Love Canada will sponsor the creation of 1000 tiny paintings by community members to be displayed at the gallery in July/August 2017.

- Revelstoke Museum and Archives: Canada 150 Snapshot of History. Revelstoke’s top 150 historic photographs will be determined by popular vote.

- The Revelstoke Railway Museum’s Stand Fast Craigellachie! A celebration of national unity and diversity to be held on BC Day, August 7, 2017.

Revelstoke for Refugees (R4R) is a community-wide group that formed in late 2015 in response to the Syrian refugee crisis. The Alliance Church’s Christian and Missionary Alliance agreed to be the Sponsorship Agreement Holder and the community of Revelstoke responded to the effort with donations of almost $60,000, held for the group by the Revelstoke Community Foundation.

R4R first applied to sponsor a family of seven that had fled to a refugee camp in Jordan. Reilly and Kristina Geidt kindly offered their home for the family to live in for the first year. Unfortunately, reflecting the difficult choices that refugees must make when they are torn between staying in familiar but dangerous or difficult environments or living far away in a strange culture, that family changed its mind and decided not to come.

The steering committee quickly met and decided to sponsor the Alsowwan family, a family of four from the same camp in Jordan. Mr. Alsowwan has worked as a driver, in a bakery and as a sales representative. Mrs. Alsowwan likes working with children and does beaded embroidery. They both garden and have two teenage boys.

The group is also discussing sponsoring a second family of four in the near future.
supporting the environment

Bat Nursery Project

The Revelstoke Illecillewaet Greenbelt Society (IGS) received funding from the Revelstoke Community Foundation’s Environmental Fund to build and install bat houses in the 22.5 hectare parcel that they conserve. They along with other environmental organizations are building and installing bat nursery boxes to help boost the bat population in the Kootenays. The white nose syndrome, a deadly infection, has decimated the bat population in Eastern Canada. Bats are an extremely beneficial species here because of their diet of insects, primarily mosquitoes. School groups and the public use the Greenbelt trails, and many people have expressed a high level of interest in the project. Along with other funders, the Revelstoke Community Foundation is proud to be a sponsor of such a worthwhile environmental and educational project.

The Environmental Fund

The Environmental Fund established in 2011, was promoted locally and a logo was chosen from a contest that featured artwork created by elementary school aged students from Revelstoke. From the outset, the local branch of the Toronto Dominion Bank liked what they saw, and wanted to support the fund. They did so, every year for the past 7 years in a very significant way with a total contribution of $35,000. Many thanks go out to local Manager Ken Baker and his staff for their incredible support over the years. The fund has now met its original target value, and will soon be promoted to attract submissions of worthwhile environmental projects that will benefit Revelstoke and surrounding vicinity.
A unique way to acknowledge a special person is to make a donation in their honour. These donations can be made to any endowment fund or special community project. During the past couple of years donations were received in honour of the following special people:

- Dean Hunter, Mike Cummings, Jan Morehouse, Cathy Burke, Rob Buchanan and Todd Arthurs in honour of their years of voluntary service to the Community Futures Development Corporation of Revelstoke
- Geoff and Gwynne Battersby

Youth participate in a three-day adventure weekend at the Wheeler Hut in Glacier National Park. Some of the activities include:

- developing GPS/compass and map skills
- hiking in Glacier National Park to Illecillewaet glacier
- adventuring with ACMG guides,
- learning photography skills with professional photographer, Kip Wiley

In return, participants are expected to commit 15 hours of a stewardship activity in our community. By giving back, youth develop a sense of responsibility and become ambassadors for Canada’s special places.

The GASP Partnership includes Stoke Youth Network, North Columbia Environmental Society, Revelstoke Secondary School, Parks Canada and Community Connections.

A generous donation from CP Rail established the GASP Endowment Fund with the Revelstoke Community Foundation and provides funds to the project in perpetuity. GASP also wouldn’t be possible without the CBT Community Initiatives Grant, and TD Friends of the Environment Foundation. The future direction and activities of the program will be guided by youth and community interests.

February 7, 1933 – March 6, 2016

In the mid-1990s, Ken became aware of the Community Foundation movement and gathered materials to try and generate interest in forming a Revelstoke Community Foundation [RCF] but the timing wasn’t right. While serving on Revelstoke’s 1999 Centenary Reunion Committee, a letter from a returning resident queried the existence of a community foundation. Ken seized the opportunity and convinced the Community Futures Development Corporation (CFDC) to adopt the formation of the RCF in its 1998 business plan. Ken led in establishing the RCF by December 1998 and served on the Board of Directors until 2003. The RCF has proven to be a most valuable asset to the Community and is well and broadly supported by the citizens. Ken recognized the Foundation as one of the most gratifying initiatives with which he was involved.

Ken was the consummate volunteer and a proud booster of all things Revelstoke. The Railway Museum, the CFDC, the United Church, BC Hydro, Queen Victoria Hospital, the Economic Development Commission, the Downtown Revitalization project, the Chamber of Commerce, and the Revelstoke Community Foundation all benefited from his role as chairperson, the chair of various committees or just an active board member. He was always proactive and was instrumental in the initiatives that created many of the foregoing. He had an enduring interest in politics at all levels and was active on those fronts as well.

Ken was a family man and proud of the accomplishments of Kay and their 3 children – Charlene, Brad, and Sheldon. His immediate family and his many friends sorely miss him.

Revelstoke has lost a most valued citizen.
An important objective of the Foundation Board is to keep operating costs to a minimum and direct income to community projects. We rely on support from individuals and organizations for projects such as this report. With deep appreciation we recognize these ‘Friends of the Foundation’ who have contributed to the cost of our annual report to our community.
